

MaryBeth King

MaryBeth has been said to sound like Sarah McLaughlan with her soothing, melodic voice. Armed with her left-handed acoustic guitar, she continues to expand her musical horizons by recently adding the keyboard and ukulele to her shows. She also uses a loop pedal to add to her songwriting and live performances. Her rhythmic guitar playing, spot-looped percussion and backing vocals make for a multi-faceted live sound. MaryBeth's musical influences include Ani DiFranco, Third Eye Blind, Sara Bareilles, Sheryl Crow and KT Tunstall among others, and covers many of their most widely loved songs.

Expect to be enraptured if you dare...MaryBeth's joyous energy is contagious, often encouraging her audience to participate in such ways that people often find themselves laughing and grabbing something percussive to jam along without a second thought.

Performing music from Adele, Beatles, Tom Petty, Melissa Etheridge, Bruno Mars, U2, Maroon 5, Greenday, Journey, Bob Marley, John Mayer, Norah Jones, Jason Mraz, Coldplay, Bonnie Raitt, Sarah McLachlan and much much more!
